String Education is still rare in WV schools. Your child will get thousands of dollars worth of high quality music education by being enrolled in this program. Participating in orchestra is the focal point for budding string players and our goal is to make your child an independently functioning musician. Advanced High School string players may go on to play in WV Honors Orchestra, WV All-State Orchestra, WV Governor's School of the Arts and receive scholarships for college. We hope that you and your child will take advantage of this wonderful opportunity!

Please mail the form to the address in the letterhead or give to your string teacher.
